Over the past year we have been working diligently to conclude the purchase of a new cooler with funds that were donated by Chapel By The Sea on Ft. Myers Beach. There were many facets of this project that included working with Lee County, landscape architects, attorney's and various vendors. We are happy to report that we are nearing the end of this project and hope to see the delivery and installation of a new cooler in the very near future.

We would like to highlight the importance of the many food drives and fund-raising events that individuals and businesses undertake on our behalf. Even though we have weekly/monthly orders fulfilled by our 2 local food bank partners as well as weekly rescue food from local groceries & bakeries, the items that are collected privately are a big part of the backbone of the food that we share with our clients. 20+ food drives took place as well as a benefit Christmas Concert, emergency gift card donations, cash donations and pet food donations. We are most grateful and continue to encourage these events.

Our most important asset are the volunteers that show up day in and day out to serve our clients. Without this commitment we would not exist!
