1st Quarter 2026

We served 4,355 households

Totaling 13,675 family members

This past quarter we have been blessed by a variety of non-perishable food donations. They included 2 church food drives; donation of 150 boxes of Girl Scout cookies; various neighborhood food drives, and a classroom food drive. We have also received monetary donations from unexpected sources.

Through our partnership with the Harry Chapin Food Bank we have started a bi-weekly pickup at Amazon. This provides us with fresh, perishable items as well as frozen items to add to the non-perishable items we regularly receive from various sources. We continue to make weekly stops at several Publix locations where we receive baked goods, bread/rolls and frozen items.

We are also blessed with weekly donations from the MidWest Food Bank as well as a regular monthly pickup.

We are getting closer to the installation of our new cooler – we believe we have fulfilled the necessary documentation...Time will tell!

Even though we are only open on Monday our volunteers are busy many other days of the week. They are the backbone of our organization and we are most grateful!
